WE ARE HIRING

MANAGER

Sustainable Energy

ICLEI Africa is seeking an **exceptionally skilled and highly strategic manager to lead a team of climate change mitigation and sustainable energy experts and project managers** in driving action in African cities; action that harnesses the opportunities available to African cities in the fields of: renewable energy, energy efficiency and sustainable energy access. Underlying all of these actions is the objective of reducing inequalities and ensuring that the transition to sustainable energy is just and fair.

WE ARE HIRING

HEAD

African Cities Clean Cooking Facility

ICLEI Africa is seeking a **highly skilled and motivated sustainable energy and clean cooking expert** to lead the establishment and operationalisation of the African Cities Clean Cooking Facility (ACCF). To date, ICLEI Africa has implemented a cohort of clean cooking projects focused on increasing access to clean cooking for African city residents, especially those living in informal settlements. The ACCF will take these projects to additional locations, communities, cities and countries in Africa, harnessing existing and new partnerships, networks and lessons learnt.

WE ARE HIRING

PROFESSIONAL OFFICER

Clean Cooking

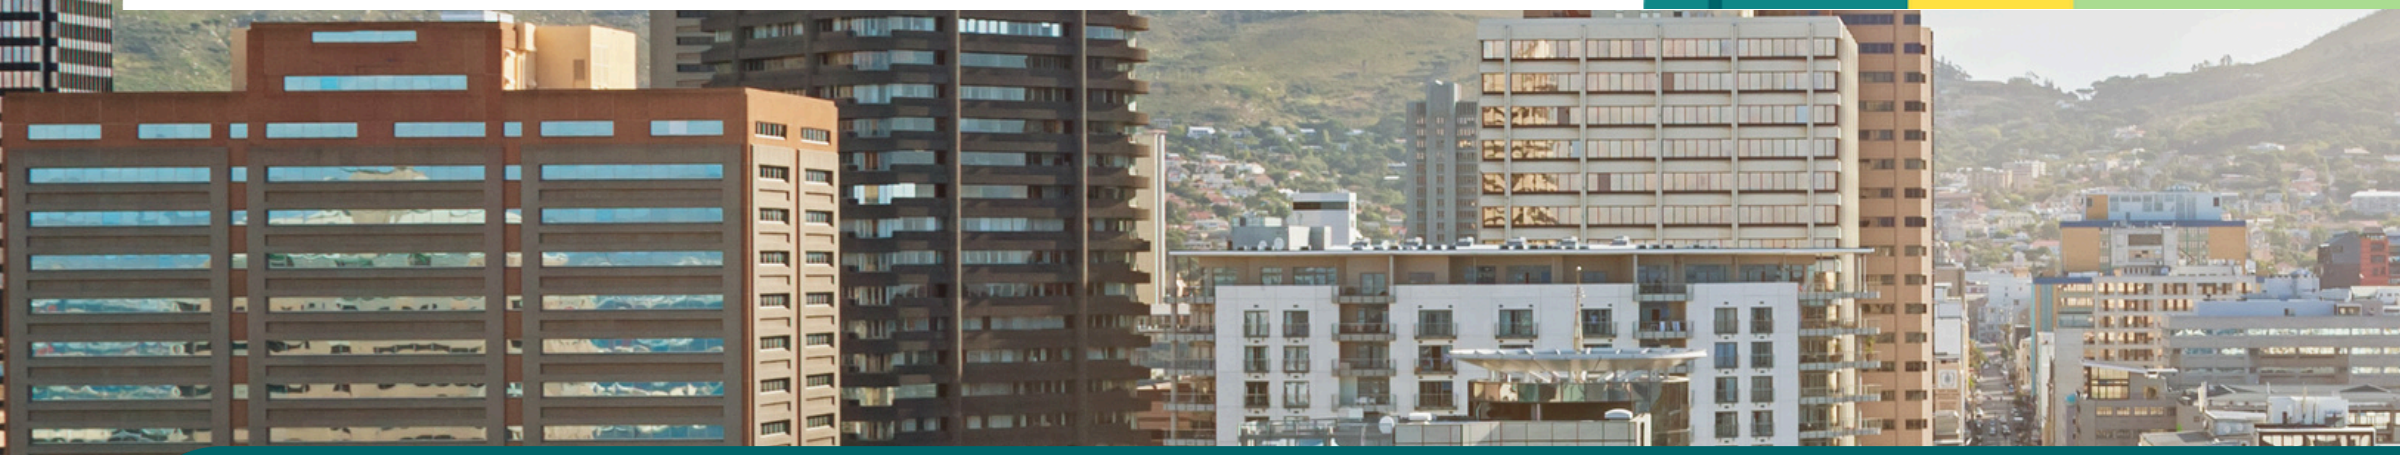

ICLEI Africa is seeking a **highly skilled and motivated sustainable energy expert that has experience in clean cooking**. The successful candidate will support and lead initiatives aimed at promoting clean cooking access within African urban environments.

WE ARE HIRING

PROFESSIONAL OFFICER

Climate Finance

ICLEI Africa is looking for a **highly-skilled candidate to work within its Climate Change, Energy and Resilience workstream to unlock finance for projects and initiatives** that tackle climate change within African cities, towns and regions. The successful candidate(s) will join ICLEI Africa's climate finance team, which focuses on ensuring that all actors involved in the project development value chain work in an integrated manner to deploy finance for climate change action at the local level.

WE ARE HIRING

PROFESSIONAL OFFICER

Sustainable Mobility

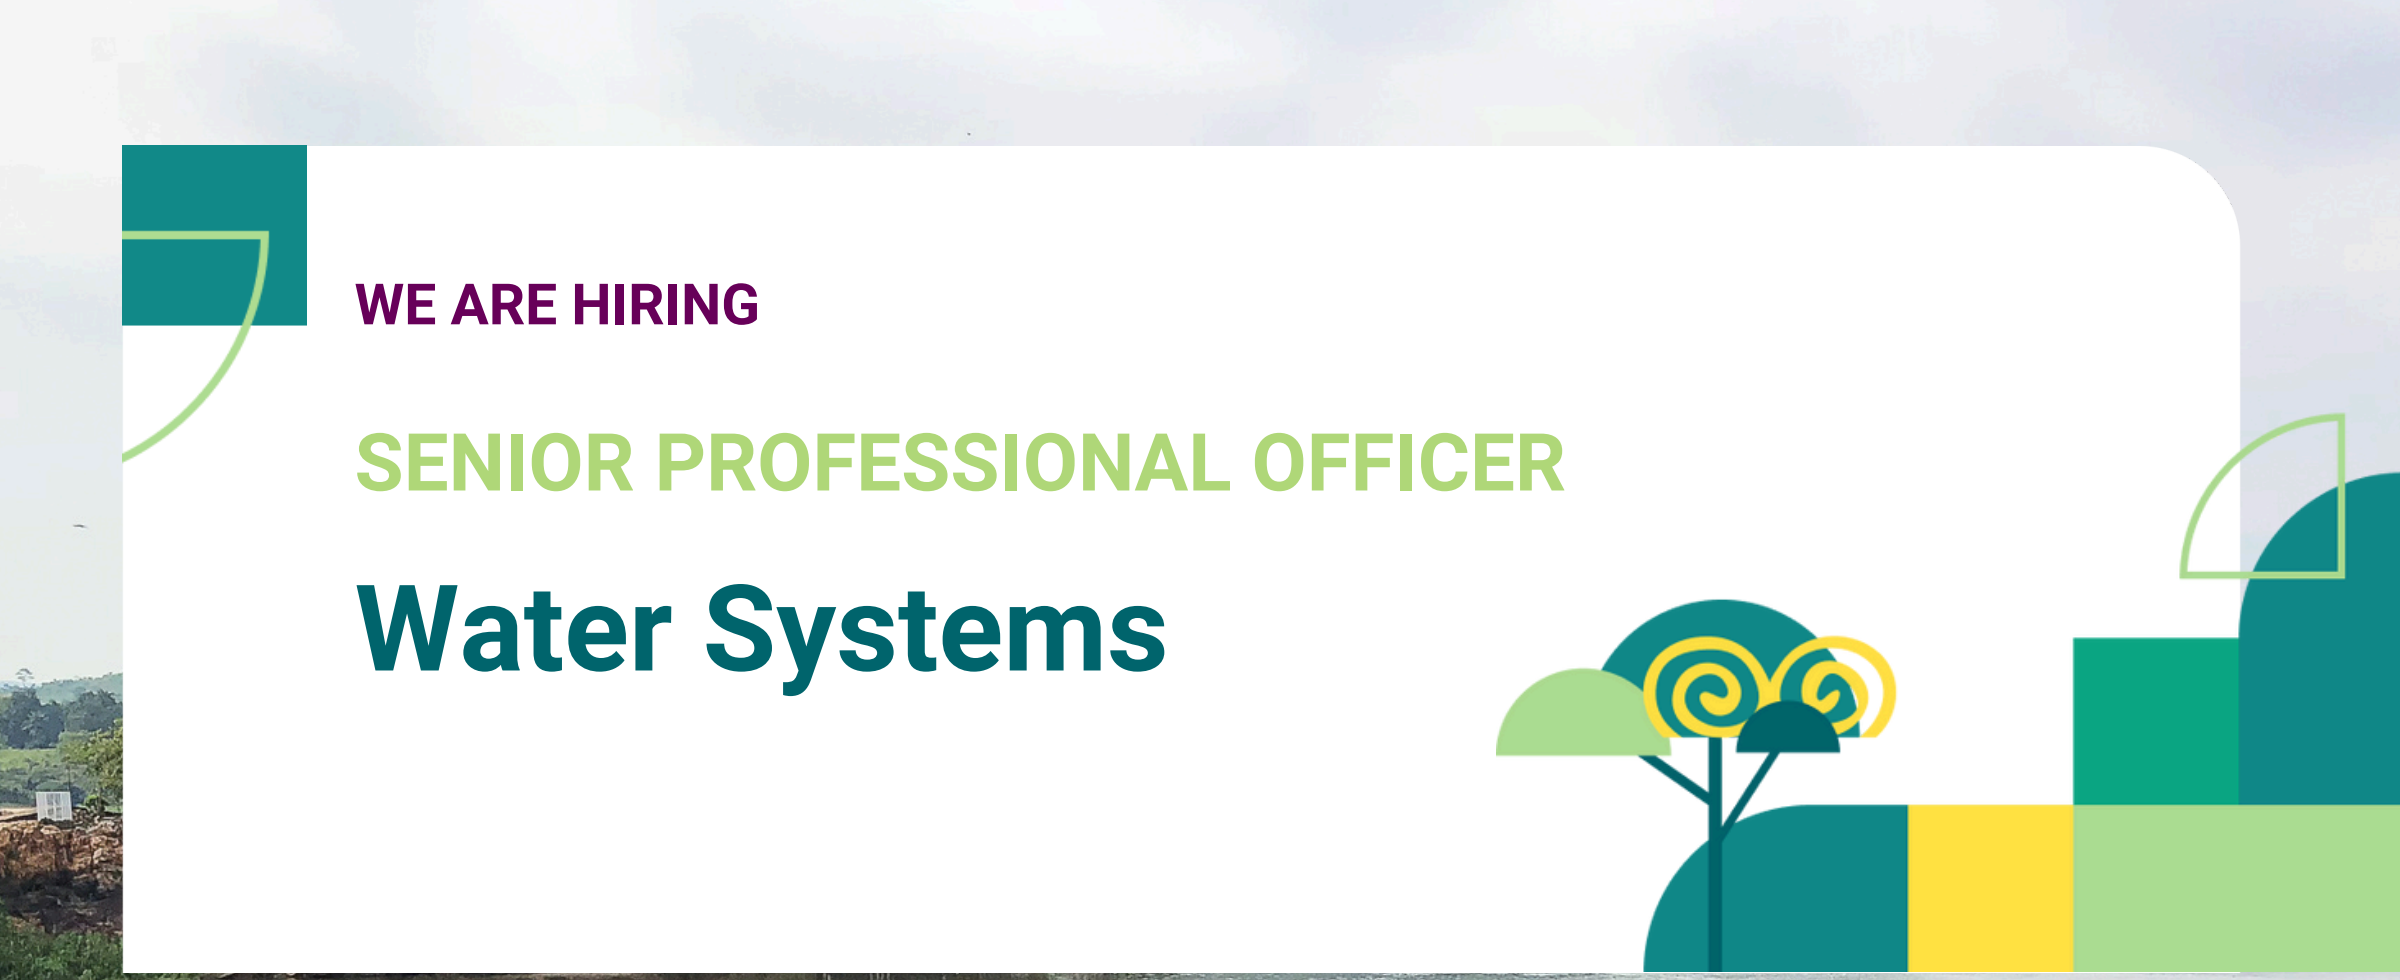

ICLEI Africa is seeking a **highly skilled and motivated sustainable mobility and transport expert that will work with the ICLEI Africa team in deploying mobility solutions that are safe, affordable, accessible, resilient, and low-emission**, and which contribute to livable cities that fulfill the mobility needs of all. The successful candidate will work within the Climate Change, Energy and Resilience workstream, supporting and leading initiatives aimed at promoting sustainable mobility within African urban environments.

WE ARE HIRING

PROFESSIONAL OFFICER

Climate Change Adaptation & Disaster Risk Reduction

ICLEI Africa is looking for **highly-skilled candidates to work with us in improving climate change resilience and reducing disaster risk in African cities.** An important area of work to be tackled by the successful candidate, will be to contribute to the creation of suitable conditions for subnational governments to engage with the private sector, civil society and the academic fraternity in planning and delivering climate change resilience and disaster risk reduction services for Africa cities.

WE ARE HIRING

SENIOR PROFESSIONAL OFFICER

Water Systems

ICLEI Africa is looking for **highly-skilled candidates to work with us in improving circular water systems and water resilience in African cities**. An important area of work to be tackled by the successful candidate will be to contribute to the creation of suitable conditions for subnational governments to engage with the private sector, civil society and academia in planning and delivering water resilience services in Africa cities.

WE ARE HIRING

PROFESSIONAL OFFICER

Equitable Development and Gender Responsiveness

ICLEI Africa is dedicated to addressing the unique challenges faced by vulnerable and marginalised groups, ensuring that our resilience efforts are equitable, inclusive and impactful. ICLEI Africa is looking for a **highly-skilled candidate to work with us in improving urban sustainability and climate change resilience across the continent, collaborating closely with all tiers of government to build sustainable, inclusive, and climate-resilient urban communities.** We are seeking an experienced Gender Equity and Social Inclusion (GESI) expert to join our team, and play a critical role in integrating GESI principles into our projects and initiatives, ensuring that our work empowers and uplifts all members of the communities we serve.

WE ARE HIRING

PROFESSIONAL OFFICER

Monitoring, Evaluation & Learning

ICLEI Africa is looking for a **highly-skilled candidate to work with us in improving the monitoring, evaluation and learning (MEL) of ICLEI Africa projects and programmes**, including: monitoring, evaluation and reporting on the impact of ICLEI Africa's urban sustainability work aligned with ICLEI Africa policies and strategies and the Monitoring Evaluation and Learning (MEL) requirements of project partners and donors.

WE ARE HIRING

COMMUNICATIONS OFFICER

ICLEI Africa is looking for a **multi-talented Communications Officer who is passionate about making a difference in the world**! They need to be a conscientious, diplomatic individual with a ‘can do’ attitude who can learn fast, adapt quickly, work well under pressure with multiple stakeholders at different levels, and think on their feet. This person should ideally have experience working in/with local government on urban sustainability issues. This role will cover the whole spectrum of communications tasks and activities.
